

Joe Filisko & Eric Noden Short Bio www.rootsduo.com

American Roots and Blues artists Joe Filisko and Eric Noden are currently touring in support of their 4th album "On the Move". The album is a new collection of material that draws on 1920's-40's American styles of blues, folk and ragtime. Just a few of the duo's influences include Sonny Terry & Brownie McGhee, Sonny Boy Williamson and Big Bill Broonzy. Joe and Eric's high energy performances continue to captivate audiences at major festivals in the US, Europe and beyond. Joe Filisko & Eric Noden 2015 "On the Move" world tour dates include Australia, Germany, France the US and more.

"Two marvelous musicians who have captured not only the sounds but the emotional spirit of some of the richest bloodlines of American music." ---
Kim Field, author of Harmonicas, Harps, and Heavy Breathers

"Joe Filisko and Eric Noden make a thoroughly convincing case that this music is the real deal and their spirited performances make it sound both fresh and contemporary." --Dirty Linen
